

# Kick starting your career at Calderdale

**Pennine GP Alliance has an exciting opportunity for GPs who want to kick start their career.**

## Our GP Career Start offers you

- ➔ Attractive salary with pension
- ➔ Medical indemnity fees paid
- ➔ 4-7 GP sessions in Calderdale GP Practices
- ➔ Additional CPD session
- ➔ 1 year fixed term contract
- ➔ Funded training of 1-2 sessions per week for Leadership Development or a Clinical Speciality (GPwSI), chosen by you from a selection of local priorities

Pennine GP Alliance Career Start Scheme offers an exciting opportunity for you to launch your career as a GP in Calderdale. Through this innovative scheme you can access local GP mentorship, development and a network group of like-minded ambitious GPs.

Looking to develop a special interest but don't know where to start? The scheme will fund and support the development of a specialist interest which can be costly and challenging without local support.

The one year fixed term contract the Career Start scheme offers has been created to provide you with the experience you need to transition into General Practice in Calderdale.

## Our Career Start offers you

- ➡ Attractive salary with pension

- ➡ Funded training of 1 -2 sessions per week for Leadership Development or a Clinical Speciality (GPwSI) chosen by you from a selection of local priorities
- ➡ Additional CPD session
- ➡ 4-7 GP sessions in Calderdale GP practices
- ➡ 1 year fixed term contract

## About Calderdale

Calderdale is a borough in West Yorkshire with a mix of urban and beautiful rural areas. Halifax is the principal town; located between Leeds and Manchester. The area has excellent rail and motorway links and situated just off the M62.

## About Pennine GP Alliance

Pennine GP Alliance is a federation of GP practices in the district of Calderdale, with membership covering 100% of practices. Working together in a federation places our member practices in a stronger commercial position and acts to enable the delivery of sustainable high quality services for patients.
