Requirements	Full access to: A computer or device with a web camera. MS Teams application installed, tried and tested on your computer or device		
Main location	Remote Learning – interactive online session		

Suitable for any health care professional or support worker who has access to health and social care clients

Annual update required to enable healthcare professionals to confidently, competently and effectively promote and administer vaccinations and immunisations in support of the national immunisations programme.

Module content includes:

- Current issues in vaccination
- Recent epidemiology of vaccine preventable diseases
- Changes to the National Immunisation Schedule
- Any changes to legislation relevant to vaccination
- Review of the current practice and identification of areas for improvement
- Q&A session for commonly encountered problems in practice

Remote Learning Prerequisites:

To undertake the course you must have access to a PC/laptop/device that has access to the internet and has sufficient memory and software to run MS Teams. It is recommended that this is run via the App rather than in a web browser. You will need to have practiced using this app and be able to use your webcam.

You may find it helpful to contact your employers IT support or you can learn more about MS Teams via the Microsoft support link <https://www.microsoft.com/en-gb/microsoft-365/microsoft-teams/group-chat-software>

Click the link to download [Microsoft Teams](#) for free

Assessment:

There is no formal assessment

Entry Requirements:

- Confirmation of support from your line manager (evidenced on application form)
- Previously undertaken a New Starters Vaccination & Immunisation training programme or already be established undertaking annual updates
- Must have access to a computer/laptop/device meeting the requirements.
<https://www.microsoft.com/en-gb/microsoft-365/microsoft-teams/group-chat-software>

Specialist Skills Post Registration Development (SSPRD) funding:

SSPRD funding may be available to those meeting the eligibility criteria, to qualify you MUST:

- Be employed with an organisation who commissions NHS services.
- Work within the West Yorkshire & Harrogate District.
- Have the support and sign off from your line manager.

Each NHS area in the Yorkshire & Humber region will have a designated signatory who is to authorised to confirm that, from an organisational perspective that this level of training is required. For all GP surgeries and practices across West Yorkshire & Harrogate your signatory is based within the Primary Care Workforce Training Hub, please send your applications to tpc.traininghub@nhs.net

Those applicants that fall outside of the West Yorkshire & Harrogate district will be classed as 'outside of area' and would therefore be required to pay for the course fee as a 'self-funder' you can access the Employer/Sponsor/Self-funder application form [here](#).
